

# With a one stop catering solution from Welequip, everything in the garden centre is rosy.

If you're planning on setting up a coffee shop or similar catering outlet, the award winning Al Fresco concept from Welequip, is the ultimate one stop shop for everything you need, from catering and restaurant equipment to advice on profitability and staff training.

Voted best new product at Glee, Al Fresco was, according to the judges, one of the most innovative entries they'd seen in years. Through this groundbreaking service, Welequip can help you set up the right size of catering outlet to suit you and your customers. Perhaps you only want a simple starter café with a minimal outlay and quick return. You may even want the flexibility to expand at a later date. With forty years of experience we have the talent and imagination to offer you a bespoke solution you'll be proud of.

What's more, Welequip can even help you arrange finance for your new profit source.

Don't settle for second best. You owe it to your business and your customers.
