Great courses are par for the cruise

Fred. Olsen's Flagship Golf programme offers the opportunity to play some fantastic courses in exotic locations – and pick up tips from your ship's on board professional. With the Flagship Golf programme, everything is designed so that if there is a course nearby, you can be on the first tee as soon as possible after the ship docks.

The ship's resident PGA professional will be delighted to offer you sound advice on technique and course management, or play a round with you ashore. Our professional will be on hand to help you reduce your handicap, improve your finesse, and get the most out of this ancient and sophisticated game of kings. Relevant cruises are identified by the Flagship Golf symbol.

Flagship Golf is available for a small additional fee, dependent on the region you cruise in and includes:

- Four rounds of golf, including green fees and transport to and from courses
- Welcome party for golfers and their non-paying partners
- Free practice facilities on board
- Up to five tuition sessions with the ship's on board PGA professional
- Social gatherings to discuss golfing issues
- Fun competitions
- End of cruise prize-giving

And non-golfing partners need not feel left out. With ports of call offering beaches, shopping, and historic sites, as well as our wide variety of onboard facilities, everyone will have a holiday to remember.

Suite dreams

The additional style, comfort and space offered by your own suite can make your holiday even more special. There is a variety of suites on offer, each with a range of extras to make your time on board even more relaxing: extras which we call 'Suite Dreams'*.

A complimentary bottle of sparkling wine and a bowl of fresh fruit will be in your suite on arrival. Canapes will be delivered daily, as you prepare for dinner. All suites offer additional space to relax; most include a sitting area/room with private balcony, together with flat screen TV, and a fridge or mini bar. Bathrobes and slippers are also provided, as are luxury towels. Suites even have in-cabin binoculars and a world atlas. For formal occasions there's a complimentary pressing pressing service and laundry service discount vouchers. In addition, there are complimentary shuttle coach vouchers to assist going ashore if the ship berths a little way from the town centre.

No one can put a price on style, but we are convinced that those who wish to travel in superior comfort will find that the benefits of a charming private suite far outweigh its cost – would you really be happy to settle for less?

** Suite Dreams benefits apply to guests in the following grades: Owners' Suites (OW); Premier (PS); Marquee (MS); Superior (SS); Balcony (BS); and Single (JB).*

***Left**, canapes are served daily in your suite.*
***Below**, a Balcony Suite on* Black Watch.

THE ArtsCLUB

On a Fred. Olsen cruise, you'll find the environment, relaxing stimulating and utterly enjoyable. The ArtsClub is the perfect way to find out: lectures and seminars are entirely free and designed so that you can dip in and out whenever the fancy takes you, giving you the chance to develop an interest in subjects as varied as antique collecting or dance, painting or gardening, wine tasting or history. Open to all passengers on cruises with an ArtsClub programme, there's something for everyone.

DOMINIC HALPIN & THE HONEY B'S

Canaries Collection

Escape the possibly chill northern Autumn and discover the historic harbour town of Funchal on the magnificent island of Madeira; this bustling and ancient town, nestled against a backdrop of stunning green mountains will linger forever in your memory. You might also be pleasantly surprised by some of the best kept secrets in the magical Canary Islands; don't miss the quiet beach of Las Tersitas to the north of Tenerife, or Santa Cruz de la Palma's beautiful Canarian architecture which includes a town hall dating back to the sixteenth century.

And in the evening, get in the swing with **Dominic Halpin and the Honey B's**, one of the coolest Swing bands around. Popular in celebrity circles, and with past Fred. Olsen cruisers, the band played at the wedding of Ruthie Henshall and Tim Howar, as well as Blenheim Palace, the Rugby World Cup and for the Make a Wish Foundation. Their lively repertoire includes such favourites as *'Beyond the Sea'*, *'Istanbul'*, *'Mack the Knife'*, and *'Volare'*. Oozing with big-band style and pizzazz, Dominic Halpin and the Honey B's will take you from mellow and sophisticated to explosive and intoxicating.

SPECIAL TALK ON FAMOUS CRIMES BY FORMER SCOTLAND YARD D.I. CLIFFORD WRATE

Splendours of Spain

Get ready to enjoy a fabulous two weeks aboard *Balmoral,* bringing you to wonderful Spanish cities like Alicante, where the plazas and brightly coloured houses of the revamped ancient district of El Barrio are just a small part of the city's cultural heritage. With a vastly different but equally fascinating history, the lively city of Barcelona, world-famous for its beguiling Gaudi architecture, will take your breath away. While your stop at Marseille will be the perfect opportunity to sit outside a seafront café and delight in the ultimate people-watching experience.

Back on board and direct from the hip and swinging Las Vegas of the 1950's and 60's, **The Rat Pack** will have you reliving that glorious era with songs sung by some of the coolest cats of all time, namely the legendary Frank Sinatra, Sammy Davis Jr, and Dean Martin. Crooning while cruising, the band will bring you some of the best-loved songs of the mid-century American Songbook such as *'Me and My Shadow'*, *'Let's Face the Music and Dance'*, and *'You're Nobody Till Somebody Loves You'*.

THE RAT PACK

Outstanding soul and reggae singer, **Irie J**, will also be entertaining you from his vast repertoire, influenced by Luther Vandross, Marvin Gaye and Barry White, amongst others.

IRIE J

Popular on previous Fred. Olsen cruises, former Detective Inspector **Clifford Wrate** of New Scotland Yard returns with his enthusiastic and good humoured lectures. His extensive repertoire includes *The Great Train Robbery, Who was Jack the Ripper?, Burke & Hare - Body Snatchers,* and *The Life and times of Dr. Crippen,* and will provide some fascinating insights to the world of criminal investigation.

THE DIVAS OF MOTOWN
THE UPBEAT BEATLES

SPECIAL SPEAKER ON THE HISTORY OF MOTOWN: STEVE SIMONE

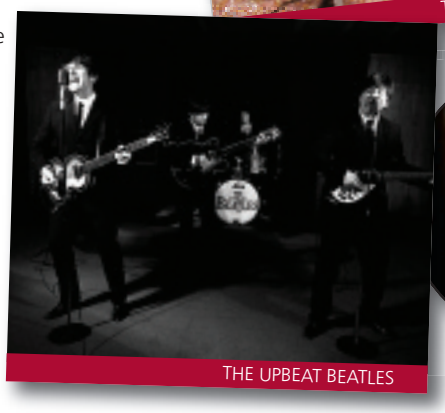
Relaxing Caribbean

Experience paradise on both sides of the Atlantic on this cruise that will take you firstly to the sun-drenched shores of Tenerife and then across the ocean where you'll discover a big Caribbean welcome in the distant lands of Barbados, Grenada, Antigua and more. You can unwind on deck and enjoy the gentle hush of the waves while you 'island hop' in style.

And in the evening, relive one of the most exciting periods in the history of pop music with **The Divas of Motown**. Celebrating half a century of possibly the greatest soul and pop label of all time, these talented performers will bring you the sounds of The Supremes, Martha & The Vandellas, Gladys Knight, Thelma Houston, and other Motown greats. Go back in time to an era of flamboyant style with hits you love including *'He Was Really Saying Something', 'You Can't Hurry Love', 'Jimmy Mack', 'Nathan Jones',* and a host of unforgettable songs too many to list.

THE DIVAS OF MOTOWN

The Upbeat Beatles are next on our line-up. Affirming that "it takes more than suits and wigs to recreate the sound that shook the world" **The Upbeat Beatles** are one of the most authentic Beatles tribute bands on the circuit, with all members playing instruments without backing tracks.



THE UPBEAT BEATLES

We are proud to announce that our speaker on this cruise is none other than soul singer and songwriter **Steve Simone**. Explaining the story of soul from its origins in the USA's deep south to the formation of Motown, Steve includes fabulous renditions of hits by Stevie Wonder, Marvin Gaye, The Four Tops, and more.

COLIN BRYANT & HIS HOT RHYTHM ORCHESTRA

SPECIAL SPEAKER: JAZZ RACONTEUR & MUSICIAN CHRIS HOWES

Tagines and Tapas

A huge helping of Moorish culture is on offer as this cruise takes you to southern Spain, where you can explore the typically Andalusian city of Cadiz with its plazas and winding lanes, and exotic Casablanca in Morocco. Other ports of call include: Oporto, where you can sample its famous fortified wine; the Spanish city of La Coruna, where the culture is quite distinct from that of the south; and Britain's own place in the sun and site of the ancient Pillars of Hercules, the Rock of Gibraltar.

Keeping up the heat will be virtuoso clarinettist, **Colin Bryant** with **His Hot Rhythm Orchestra**. Considered to be amongst today's highest ranking jazz and swing bands, this six-piece line-up will be playing music from the 1920's through to the '50s and covering some of the best loved tunes from Louis Armstrong, Glen Miller, Duke Ellington, and many more. A popular feature of the band is their spirited Glen Miller Swinging Set, which will have you jumping in your seat, if not dancing in the aisles. Exhilarating entertainment from masters of their craft!

Jazz aficionados will be delighted to know that award-winning music promoter and pianist **Chris Howes** will be giving a fascinating talk on aspects of music, such as its history and its effects on social and political spheres. A newspaper columnist and BBC broadcaster, Chris has also played with many internationally renowned jazz musicians.

SPECIAL SPEAKER: JAZZ HISTORIAN COLIN PRESCOTT

Winter Warmth

The sub-tropical Canary Islands beckon as deepest winter sets in at home. La Palma's ancient town of Santa Cruz is little known by most tourists, but once discovered is a treasure trove of architecture, markets, and cafés. Enigmatic Casablanca, with its modern skyscrapers and quaint souks, is also on the itinerary and just wait until you see the green mountains of romantic, garden-island Madeira on the horizon!

In the evening, why not enjoy a cocktail on deck and relax in the cool ocean breeze before getting back in the swing with **Colin Bryant and his Hot Rhythm Orchestra**. Known as 'the small band with the big band sound', this eminent sextet will exhilarate you with an astounding selection of music from the 1920s to the '50s, including tunes made famous by Benny Goodman, Count Basie, Glen Miller, Duke Ellington, and a whole host more. Relive the vitality and romance of a bygone era!

Eminent jazz historian **Colin Prescott** will also be on board to give a fascinating talk on the origins of jazz and its development through the ages. A jazz fan since the age of 11, Colin is a member of the Earl Gray Dance Band and CoolSwing, as well as being a member of the Musicians' Union and a founder member of the Lewes Jazz Club.

THE MERSEYBEATS

Magic of the Canaries

Away from the December chill of British waters, sample the charms of the beautiful Canary Islands. Here, the beaches to the north of Tenerife are less well known to tourists and therefore less crowded, while the mediaeval charms of Santa Cruz de la Palma will provide a welcome opportunity for a relaxing stroll. The romantic and evergreen paradise of Madeira will prove equally stimulating, while those who like to shop till they drop will love Portugal's capital, Lisbon. Warm ocean breezes, sunshine, sand and vibrant old towns abound on this cruise, but that's not all!

The cruise departs from Liverpool, the epicentre of the beat revolution of the swinging sixties and home to some of the biggest performers of that era. What could be more appropriate therefore, than music from the multi-award winning **Merseybeats**? These veterans of pop music rose to stardom in the early '60s when they played regularly alongside the Beatles at Liverpool's world-renowned Cavern Club and were even signed by Brian Epstein. They will delight you with many of their famous hits including *'I Think Of You'*, *'I Stand Accused'*, and *'Don't Turn Around'* to name just a few.
